Dear Sir/Madam,

I am writing to express my strong interest in the student mobility program scheduled for January 2024 at Euromind. With a deep passion for cross-cultural experiences and an determined commitment to expanding my knowledge, I believe that this program aligns perfectly with my aspirations and goals.

I am excited about the possibility of exploring specific areas of study that are essential to my academic and professional growth. In particular, my strong desire to learn more about e-commerce, environmental development, configuration, and e-commerce platforms such as WooCommerce and PrestaShop is what motivates me to participate in this program. The global shift towards e-commerce and sustainable development is an exciting field that demands innovation, adaptability, and a comprehensive understanding of the latest trends and technologies.

As a dedicated and motivated student, I am committed to making the most of this two-week program by actively participating, contributing to group projects, and expanding my knowledge in the specified areas. I look forward to embracing the challenges and opportunities that this program offers and believe that my prior experiences and work ethic make me an ideal candidate. I thrive under pressure and maintain my composure even in the most challenging situations.

I look forward to the opportunity to learn from experts and collaborate on real-world projects. Thank you for considering my application.

Sincerely,

Lucija Gašparec

Predmet: Erasmus + Internship in Malaga, Spain

Poštovani,

Ovim putem se prijavljujem na Natječaj za Erasmus+ mobilnost učenika od 7. do 20. siječnja 2024. u Malagi, Španjolska.

Prijavljujem se s velikim interesom radi usavršavanja engleskog jezika i radi stjecanja znanja koje mi boravak u inozemstvu može pružiti. Iako do sada nisam imala prilike biti uključena u slične aktivnosti, oduvijek sam pokazivala izrazitu sklonost upoznavanju drugih kultura i običaja. Dobro se snalazim u radu s drugima, znatiželjna sam i volim učiti. Vjerujem da bi kroz predavanja i radionice mogla puno toga naučiti. Edukacija E-COMMERCE bi mi omogućila da razvijem vještine u područjima kroz navedene module.

Smatram da Erasmus+ mobilnost pruža odličnu priliku za osobni i profesionalni napredak te da se boravkom u drugoj državi stječe poštovanje prema različitim kulturama.

Zbog svega spomenutog vjerujem da bi sudjelovanje u programu bilo izuzetno korisno za moj napredak. Sprema sam uložiti svoj trud i energiju.

Unaprijed zahvaljujem na razmatranju moje prijave.

S poštovanjem,
Mihaela Tomić

Poštovana profesorice Čorković,

Ovim se putem prijavljujem na Natječaj za Erasmus+ mobilnost učenika na edukaciju u siječnju 2024. godine.

Prijavljujem se za Erasmus+ program, jer mislim da je to dobra prilika da proširim svoja znanja u području online trgovine, jer smatram da će mi to koristiti u daljnjem školovanju i usavršavanju u struci.

Također smatram da mi je sudjelovanje u ovom programu dobra prilika za razvijanje komunikacijskih vještina na engleskom jeziku.

Osim toga, zanimaju me marketing i ekonomija te bih po završetku srednjoškolskog obrazovanja želio nastaviti obrazovanje na Ekonomskom fakultetu, pa mi se ovaj projekt čini kao dobar način za stjecanje šireg iskustva u tom području.

Volio bih imati priliku upoznati španjolsku kulturu, tradiciju, baštinu, jezik i ljude.

Vjerujem da Erasmus+ program omogućuje učenicima izvrsnu priliku za proširenje njihovih znanja i vještina, uključujući kako strukovna tako i svakodnevna znanja te da također potiče važnost međukulturalne komunikacije i jača razumijevanje između kultura, pružajući učenicima priliku da razviju otvorenost uma prema drugim kulturama.

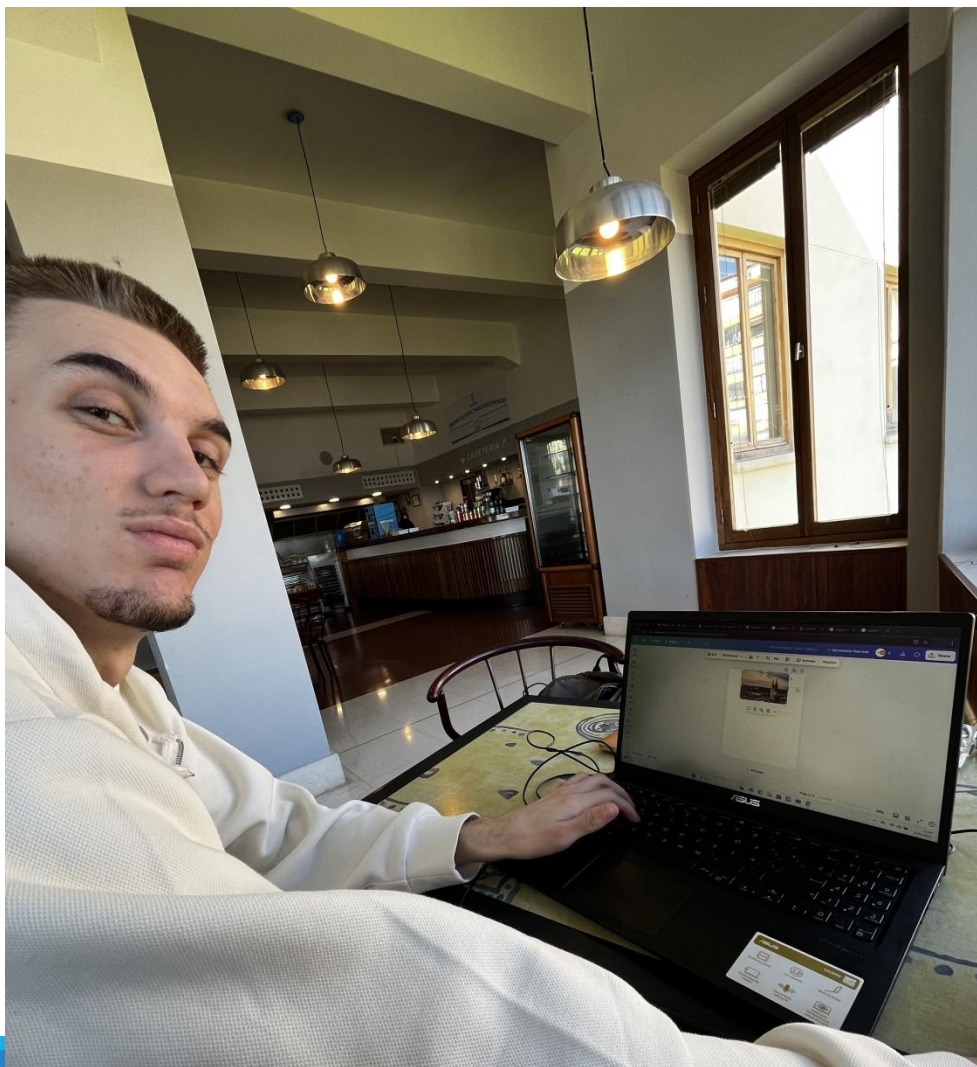

Zahvaljujem na razmatranju moje prijave. U prilogu E-maila možete pronaći moj Europass životopis i poveznicu prema mojem LinkedIn profilu. Ako imate bilo kakvih dodatnih pitanja ili trebate više informacija, slobodno me kontaktirajte.

S poštovanjem,
Borna Čulina
